Upcoming Excursions and Events

Wellbeing Day - Wednesday 23rd September
Don't forget to wear your Resilience Project Colours (see flyer on page 2)

Interm Swimming for Pre Primary to Year 4 - Starting Week 3 for 2 weeks $65.00

Year 2 Kings Park Excursion - Wednesday 21st October $22.00

Please use Compass for all permissions and payments.

This Wednesday is Wellbeing Wednesday, where we will be celebrating The Resilience Project principles and reflecting on all that we have learnt throughout the program so far. To help us celebrate, children are encouraged to wear The Resilience Project colours or, if they are feeling really creative, they can dress up as one of the GEMEL superheroes! Please see attached the poster for more information. We can't wait to see everyone getting involved and celebrating Gratitude, Empathy, Mindfulness and Emotional Literacy!

Payments to APS

With immediate effect, the school will not be requesting or accepting upfront payments for excursions and incursions as a result of the implementation of Compass Pay.

Compass Pay eliminates the need for these upfront payments as it allows you to pay directly from your debit/credit card which alleviates the need for credit on your accounts. In 2027 we plan to implement the ability to pay voluntary contributions and charges directly through the Compass app which, hopefully, will make parents lives that much easier.

In relation to cash payments, our preference is to move towards a cash-free front office wherever practicable, as this provides greater convenience and efficiency for our office operations. EFTPOS and direct bank deposits will, of course, always be available to parents who prefer those methods.

From the Premier's Desk - Term 3 Wrap Up

What a term it has been! Term 3 has been packed with fun, creativity, competition, fundraising and plenty of opportunities to live our school values: Take Care, Stand Up, Give It Your Best and Fair Go.

One of the biggest highlights was Book Week. From the Perform Education! theatre incursion and Scholastic Book Fair to the toilet roll book character competition and our colourful Book Week Parade, there was plenty happening! The costumes were amazing, and it was fantastic to see everyone getting into the spirit. Book Week was also a great reminder that books can take us anywhere. We can explore new worlds, meet incredible characters and go on amazing adventures without even leaving the classroom. So, keep reading - you never know where your next book will take you!

We also put on our Silly Socks to support WA Cancer Research. There were some seriously creative (and very silly!) socks around the school. It was great to see everyone getting behind such an important cause.

Then came our Sports Carnival! Students had the chance to try new things, encourage their teammates and, most importantly, give it their best and have a Fair Go. Congratulations to Emerald for taking the win! A big well done to everyone who competed, cheered others on and gave the events a go. Thanks also to the staff and parents who helped make the day such a success.

For us Year 6 students, the Mini Fair was a pretty big deal. We got to step up as leaders and create games and stalls for students from all year groups. Seeing everyone having fun and joining in made all our hard work worth it. A huge thank you to all the Year 6 students for their creativity, effort and leadership. Together, we raised more than $1,000 - an awesome achievement!

As we finish the term, we also have Wellbeing Wednesday to look forward to. This week, we will be celebrating the Resilience Project by dressing in the project colors or coming dressed as one of the resilience heroes. The colors represent gratitude, empathy, emotional literacy and mindfulness - important skills that help us take care of ourselves and each other.
Looking back over the term, I think we have seen our school values in action again and again. We've Taken Care by supporting each other and our school community. We have Stood Up for causes that matter and stepped up as leaders. We have Given It Our Best by trying our hardest and not giving up. And we have shown Fair Go by encouraging others and making sure everyone has the chance to participate.

Our teachers often remind us that these values aren't just for special events - they're about how we treat people every day. So, as we head towards the end of the year, let's keep looking out for each other, standing up for what's right, giving things our best and making sure everyone gets a fair go.

A huge thank you to our teachers, staff, parents and students for everything you've contributed this term.
Have a safe and happy holiday, and let's finish the year strong by living our school valuesevery day!
