Supporting Green Australia

Room 14 students have been learning about climate change and exploring ways to help protect our environment. To put their learning into action, they are hosting a Bake Sale to raise funds for Greening Australia, a charity dedicated to planting trees and restoring landscapes to combat climate change.

🍰 When: Friday, 20th November (Week 6)
⏰ Time: Recess and Lunch
📍 Where: Outside the school hall

Students and staff are invited to come along, buy a tasty treat, and support this important cause! All proceeds will go directly to Greening Australia to help plant more trees and create a greener future.
Thank you for your support and generosity. Together, we can make a difference—one treat (and one tree!) at a time!

Room 14 Students and Ms Hildebrandt

Parliamentarian Lunch at Parliament House

Last Thursday, our six Year 6 Parliamentarians enjoyed a special visit to Parliament House, where they were treated to lunch with Lisa O'Malley, Member for Bicton. It was a fantastic opportunity to look around Parliament House and ask Lisa questions about leadership and her work in the community. Out students had a wonderful time and represented Attadale Primary School beautifully. A big thank you to Lisa for such a memorable experience.
