2023 Classroom Meetings – Wednesday 15 February

We are happy to bring back our start of year classroom meetings, which once again will be held on the same day- Wednesday 15 February.

- Pre-Primary to Year 6 meetings will all be held on the same day, so that parents only have one day where they need to attend meetings for their children.
- Kindy parent meetings will remain on a separate day, as these are normally longer meetings with input from the school nurse. Dates and times to be advised by Mrs McManus.
- Meetings will begin from 2:40pm with a 10-minute transition scheduled to allow movement between different classes.
- Meetings will run for 30 minutes and start promptly at the set time.
- We hope that having the meetings all on the same day will make it easier for parents to arrange supervision for their children at home.
- While we have staggered meetings so that most parents can attend all relevant sessions, we apologise that there may be some clashes. If you are unable to have someone attend, your class teacher will send you any important information from their session.
- The Year 6 meetings may run for a longer time as graduation year specific events will be discussed.
- All meetings will be held in your child's classroom.
