A MESSAGE FROM THE PRINCIPAL

Hello Attadale Families,

It has been enjoyable seeing so many of you over the past week throughout some of our big events. After a busy term, I enjoyed the opportunity to watch our Edudance performances and be involved in our Athletics carnival on Friday. As a school we pride ourselves in providing opportunities across the school year for our students to shine in their area of passion. Already this term we have had students taking on the challenges of the Australian Mathematics competition, performing in front of their peers and parents and our Edudance concert as well as doing their best in the range of events at our Athletics carnival. Next term our student's artistic ability will be on display for all to see at our Art exhibition.

Congratulations to Emerald who won their first Faction Athletics Carnival since 2013 and a big thanks to Mr Fritchley and all of the staff for their efforts across the three days of competition which included over 130 events. As always the P & C helped create a great atmosphere with their initiatives and it was pleasing to see so many parents here on the day. There were many highlights, however I was most pleased to see the level of effort and fair play that students demonstrated throughout the day.

Over the holiday break we are excited to be having some new playground equipment installed in our Early Childhood playground thanks to the fundraising efforts of our P & C. This initiative has come from the Strategic Priorities plan developed in 2022 between the P & C and our school.

With only a handful of days left until the Term 3 holiday break, I hope students enjoy their well-earned break and return refreshed for the first day back on Tuesday the 10th of October. Enjoy the week ahead.
