CONSTABLE CARE SAFETY SCHOOL

Dear Parents & Carers,

As part of the health studies next term, students will be learning about road safety.

To compliment this, the students will be visiting Constable Care Safety School. This is an exciting excursion destination designed to teach children road and public transport safety skills. This excursion will provide students with a hands-on opportunity to learn vital pedestrian, bicycle and public transport travel safety skills.

When: Wednesday 13th December 2023

Cost: \$ 20.00

Depart school at 9am and return at 1:30pm

Activities included: Pedestrian and wheel safety.

Pedestrian session: Students will be presented with various pedestrian scenarios on an iPad. Students will need to identify hazards and make safe decisions.

Cyclist experience: The facilitator will deliver a short demonstration on bike safety and maintenance, demonstrating how to adjust helmets and how to check tyre pressure, brakes, and bell. The Facilitator will also cover basic cycling road rules, such as stop signs, give way signs, traffic lights, rail crossings, pedestrian's right of way, speed and courtesy on shared-use paths. Students will then be able to ride their bikes freely around the Safety School abiding safety rules.

Students will be required to wear their school uniform suitable for riding and enclosed shoes such as sneakers. Please ensure long hair is tied low as they will be wearing helmets and if your child requires reading glasses they are brought along.

Students will need to bring their school bag which includes:

A hat, drink bottle, recess and lunch.

We will require 3 parents from Rooms 6 & 7 and 2 from Room 9 to assist with supervision of students and activities throughout the day. Please email or speak to the teacher if you are interested in attending. Parent volunteers are required to complete a Working With Children form from the office prior to attending.

Please contact your class teacher if your child requires training wheels.

Please return the permission slip by 1 December 2023.

Any queries please don't hesitate to contact the class teacher.

Regards,

Nadia Bergamo, Kathryn Sharp & Julia Pearl
