

REMINDERS WEEK 5 TERM 4, 2023

ACKNOWLEDGEMENT OF COUNTRY

We would like to acknowledge the traditional owners of the land on which we meet today, the Whadjuk people of the Noongar Nation of Australia and pay our respects to the elders of the past, present and emerging.

Planning for 2024

In the coming weeks we will be starting to place students in classes for 2024. As per previous years you are invited to share with us, any educational reasons you feel worth sharing with regard to the placement of your child. These reasons will be taken into consideration when we place students for next year. There are no guarantees that we can meet your request, however we aim to do the best for each child.

Please keep these reasons based on their needs as opposed to placement with other students or their favourite teacher. With over 400 students across our school, the process is rigorous, takes many weeks and involves input from all teaching staff and the school leadership team to get to a point where we feel we have the best mix for each class based on what we already know about each student.

If you would like to put forward information to assist in this process, please email asiri.perera@education.wa.edu.au prior to Friday November the 10th. These will be filed and reviewed as part of our process.

THANK YOU

I would like to say a huge thank you to all the parents and staff who assisted in preparations for our 70th Anniversary Art Exhibition. Without listing everyone's names as I'm afraid of missing someone out, special mention needs to be made to Shauna See and her family, who went over and above to make sure it happened and to our school gardener for the new wires installed in the hall to assist with installation. Thank you also to all the lovely Mums (and a grand-mum) who helped with sewing, display items and a busy set up day on the Friday. Your assistance was very much appreciated and made a big task that bit easier. I know all our students enjoyed sharing their artwork with family and it was great to see so many there, including our grandparents for morning tea on Thursday. We have some very talented artists at Attadale PS and a supportive parent body that enables this to be fostered. I look forward to seeing what some of our students do in the years to come.

Many thanks again,

KATHRYN POWER
ART SPECIALIST

COMPETITION

The Year 5s in Room 14 are holding a competition from years PP to year 6. We are encouraging you to bring in bread tags and the tops off drink cans. Not only will you save these items going into landfill, but you will be helping to make wheel chairs for disabled people.

We have given each classroom two containers, one for bread tags and the other for can tops. The class that collects the most tags and tops will win 30 minutes of free play. The competition will be held this term from week 4 to week 9.

Thank you and good luck collecting!

Bread Tags and Can Tops For Wheelchairs

Can your class collect the most bread tags and can tops between weeks 4-9?

Put your bread tags and can tops inside your classroom containers and gain points for your class!

The winning class will win 30 minutes of extra play.

UPCOMING EXCURSIONS AND INCURSIONS

We have a very busy end to the year with lots of events happening in Term 4.
