YEAR 5 INSTRUMENTAL PROGRAM 2024

EXPRESSIONS OF INTEREST SOUGHT

Dear parents

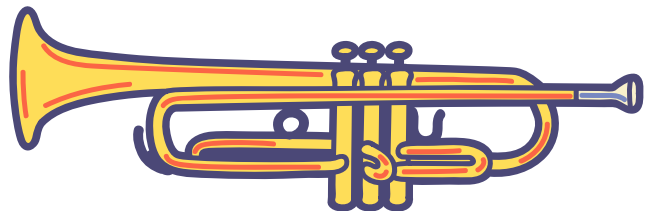

I am trying something new this year to attempt to expedite the process of selecting students for the clarinet, brass and flute programs during Year 5 and 6 at Attadale Primary. In previous years, some parents have been informed very late in the year about their child's place in the program due to the delay in responses from other families.

This year, I am asking parents to contact me if their child is interested in playing two or more of the instruments listed. Places are also dependant on student achievement in classroom music lessons and Instrumental Music Services testing. If selected, it is important that both you and your child fully understand the commitment required, before deciding to indicate interest in being considered for a final place.

Instrumental music skills do not bloom overnight! They are built carefully and steadily over a number of years, and success in the program requires sustained commitment by both children and parents. Please do not accept a place in the program if there is a chance that your child will not complete Year 6 at Attadale Primary.

If your child is interested in playing flute, clarinet and brass (trumpet and trombone) during Year 5 and 6, please contact me and I will provide more detail.

Thanks

COMPETITION

The Year 5s in Room 14 are holding a competition from years PP to year 6. We are encouraging you to bring in bread tags and the tops off drink cans. Not only will you save these items going into landfill, but you will be helping to make wheel chairs for disabled people.

We have given each classroom two containers, one for bread tags and the other for can tops. The class that collects the most tags and tops will win 30 minutes of free play. The competition will be held this term from week 4 to week 9.

Thank you and good luck collecting!
