

2024 REMINDERS TERM 2 WEEK 7

ACKNOWLEDGEMENT OF COUNTRY

We would like to acknowledge the traditional owners of the land on which we meet today, the Marradungup Land of the Whadjuk people of the Noongar Nation of Australia and pay our respects to the elders of the past, present and emerging.

The Term 2 Planner can be found by clicking the TERM PLANNER link above.

Please note that the Pupil Free Day will be on Friday 31st May, which will coincide with the Western Australia Day long weekend.

KINDY AND PRE PRIMARY ENROLMENTS FOR 2025 ARE NOW OPEN

Enrolments for Kindy and PP for 2025 are now open and will close on Friday July 19, 2024.

Kindergarten 2025

If you have a child who will turn 4 by 30 June 2025, they are eligible to enrol in Kindy in 2025.

Pre Primary 2025

If you have a child who will turn 5 by 30 June 2025, they are eligible to enrol in Kindy in 2025.

If your child is currently enrolled in Kindergarten 2024, they will need to enrol for Pre Primary in 2025. Pre Primary is the first compulsory year of schooling in Western Australia.

More details can be found [here](#)

If you have any questions, please don't hesitate to contact the office. Hard copies of these forms are available in the office if you need them.

- **Spare Parts Puppet Theatre Incursion (Year 2&3)** - Thursday 20 June - Payment and permission slip due by Thursday 13 June

Students Arriving Early

We have an increasing number of students arriving very early to school. A reminder to parents that no staff supervision is provided before 8:30 and it is common for social issues or accidents to occur when groups of students meet at school before duty of care commences.

Occasionally there are times when students are dropped off a little early and for their safety, they will be asked to sit outside the Deputy Principals' office. Our out of school care provider, Helping Hands, are available for longer term supervision before and after school.

Thank you for your support and this notification does not apply to students who participate in 'Running Club' on Wednesday and Friday mornings at 8am.

Attadale's Got Talent

Our famous talent competition will be held on Friday 14 June from 1:30-3pm. Year 3-6 students were invited to sign up last week and have until next week to prepare a (maximum) 2 minute performance. It's all about having some fun and building confidence in front of an audience.

Years 1-6 will be in attendance, cheering on the participants, and there will be a trophy for the Year 3/4 and Year 5/6 winners, voted on by our staff and the parliamentarians. We are looking for the best singers, dancers, musicians, actors, magicians or any other talent you may have. Auditions will be held on Wednesday and Thursday of Week 8 (5 and 6 June). Start practising and we can't wait to see everyone's talents.

Isaac Gill
Minister for Cultural Affairs

Our Chaplain

Hi, my name is Jackson Dolley and I am the Chaplain at Attadale Primary School. I am here every Tuesday, and every second Friday, providing support and assistance to the Attadale school community. I work with students in both a one-on-one setting, as well as running small group programs that focus on friendships and resilience.

Chaplains can help students to address issues and challenges that come up in life. I enjoy being a listening ear when someone needs to share how they are feeling, and provide encouragement to empower the students towards a fun and successful schooling experience. I'll be out with the kids at break times. If you would like to contact me, please email:

jackson.dolley@guest.education.wa.edu.au

Kind regards, Jackson Dolley

ATTENTION TO OUR YEAR 5 STUDENTS

Curiosity Club Specialists in Training

Fremantle College's Curiosity Club is an after school program which offers hands-on extension opportunities for students in Year 5.

Curiosity Club Specialist ICT

The ICT program supports students to develop their design and problem-solving skills, and expand their creativity. They will have access to industry standard technology as they undertake a design and create process, developing a tangible product.

Curiosity Club Specialist Marine Science

The Marine Science program encourages students to further their understanding of the marine environment, and the impact we have on it. They will undertake a range of scientific investigations, drawing upon skills in chemistry, physics and biology.

Our Curiosity Club will run for three sessions and take place in Terms 3 and 4. When applying, students are able to select which term they wish to attend, and they are able to apply for both programs. Specialist teaching staff facilitate all sessions, supported by our Specialist Program Student Leaders.

Application Process

Students are required to complete the application form and return to Fremantle College by Friday 14 June 2024. Online form is available on our college website, under Enrolments and Curiosity Club. The college will advise the outcome of all applications at the end of Term 3 and distribute information to families.
