TERM 4 STARTS ON TUESDAY 8 OCTOBER.

A MESSAGE FROM THE PRINCIPAL

Attadale PS families,

Term Three always highlights the many talents and achievements of the students in our school. With the school holiday break just around the corner, it is important to acknowledge how far students have progressed since the beginning of the school year. Every day we will see students building confidence, resilience, empathy and a large bank of skills which they will continue to build on as they move through their educational journey.

At Open Night you get to see the end product of lots of hands on and collaborative learning. Before students get to this finished product there are hundreds of questions, failed attempts and mistakes. These failures and mistakes are crucial parts of developing life long learner qualities that will help them be successful in the later years of education and beyond.

With the many events we have held across the term we have also been reminded of the high levels of engagement of our parents. It has been great to see so many of you find the time to attend and be a part of excursions, whole school events, assemblies, and other special events. We appreciate your support and look forward to this continuing into the future.

Phil Sprungett

INVITATION FROM OUR SCHOOL BOARD

The School Board would like to extend another opportunity to attend one of our Board meetings this year, on Monday 14th October at 6pm.

Whilst attendance of this meeting does not enable you to raise an agenda item or influence the outcome of discussions, this will offer our school community the opportunity to gain firsthand insight into some of the initiatives that the school is driving.

There are also a couple of opportunities coming up to join the Board next year (EOI to be sent shortly) and your attendance on the 14th will also offer a valuable opportunity for you to gain insight into the running of the Board and assess whether it's something you'd like to be part of.

It is a great privilege to be on this Board, and we would love for you to join us in supporting the school, our amazing pupils and staff, to help drive our values of Take Care, Stand Up, Fair Go and Give it your Best!

Please let us know if you'd like to attend by 5PM, Wednesday 9th October.

Please RSVP to attadale.ps@education.wa.edu.au

PLANNING FOR 2025

It is hard to believe we are already making plans for 2025. This includes budgeting, staffing and student placements. If you are relocating and/or not attending our school in 2025, please contact our front office to provide this information so our plans are as accurate as possible. At the beginning of Term 4, we will be starting the process to place students in classes for 2025.

As per previous years you are invited to share with us, any educational reasons you feel worth sharing with regard to the placement of your child. These reasons will be taken into consideration when we place students for next year. There are no guarantees that we can meet your request, however we aim to do the best for each child. Please keep these reasons based on their needs as opposed to placement with other students or their favourite teacher. With over 450 students across our school in 2025, the process is rigorous, takes many weeks and involves input from all teaching staff and the school leadership team to get to a point where we feel we have the best mix for each class based on what we already know about each student.

If you would like to put any forward information to assist in this process, please email asiri.perera@education.wa.edu.au. These will be filed and reviewed as part of our process.
