

Attadale Primary School

P&C Update

Term 3 2025

Welcome to Term 3!

The P&C Committee consists of parent volunteers who work together to make our great school even better while supporting families and creating special memories with their children. The P&C organizes fun events, fundraising activities, operates the canteen, and coordinates initiatives like the edible garden, environmental sustainability programs, and playground redevelopment projects. All funds raised by the P&C are directed back into the school to support upgrades, facilities, and resources.

P&C Update

Term 3 2025

ATTALICIOUS CANTEEN

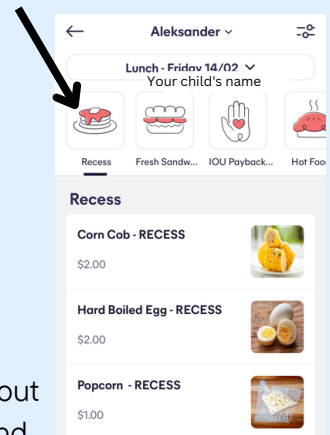

The APS Attalicious Canteen is run by staff and volunteers to bring fresh recess and lunch options for our Pre-Primary to Year 6 Attakids! Not sure how it all works? Here's a handy how to guide to get you started!

- Download the **Spriggy Schools** app and follow the prompts to set up a profile for your child(ren). This app can be pre-loaded for orders.
- **Classes need to be updated each year** to ensure your child's lunch order arrives to the right tub.
- The canteen is open on Wednesday's and Friday's. Orders must be placed before 8.30am.
- Students in Years 2-6 can also order small recess items and icy poles with cash from the canteen window
- To order your child food to be delivered at recess, head to the Recess sub category in the menu

Recess and Lunch orders are placed in clearly marked red tubs for each classroom e.g Room 10, Room 8 etc. Student names will be printed or handwritten for easy identification.

Please note: orders are unable to be placed for Kindy students.

Delivery for Pre-Primary and Year 1

Tubs are brought to the junior school area by the Yr 5 canteen monitors and placed out front of their classroom. Each classroom tub is clearly marked with the year group and class.

Collection of orders for Years 2-6

Students in Years 2 - 6 collect their order from the canteen area from their classroom tub.

Our Attalicious Canteen needs volunteers!

Signing up to volunteer once a term can make a big difference to keeping our canteen running smoothly, affordably, and fun!

All family members welcome and no experience necessary!
