

1 September 2025

**CONSTABLE CARE SAFETY SCHOOL EXCURSION**

Dear Parents & Carers,

As part of the Health studies next term, students will be learning about road safety. To complement this, the students will be visiting Constable Care Safety School. This is an exciting excursion destination designed to teach children road and public transport safety skills. This excursion will provide students with a hands-on opportunity to learn vital pedestrian, bicycle and public transport travel safety skills.

When: 15<sup>th</sup> October 2025

Cost: \$22.00

Depart school at 8:50am and return 1pm

|                      |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                |
|----------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Activities included: | Pedestrian and wheel safety                                                                                                                                                                                                                                                                                                                                                                                                                                                    |
| Pedestrian session:  | Students will be presented with various pedestrian scenarios on an iPad. Students will need to identify hazards and make safe decisions.                                                                                                                                                                                                                                                                                                                                       |
| Cyclist experience:  | The facilitator will deliver a short demonstration on bike safety and maintenance, demonstrating how to adjust helmets and how to check tyre pressure, brakes, and bell. The Facilitator will also cover basic cycling road rules, such as stop signs, give way signs, traffic lights, rail crossings, pedestrian's right of way, speed and courtesy on shared-use paths. Students will then be able to ride their bikes freely around the Safety School abiding safety rules. |

Students will be required to wear their school uniform suitable for riding and enclosed shoes such as sneakers. Please ensure long hair is tied low as they will be wearing helmets and if your child requires reading glasses they are brought along. Students will need to bring their school bag, a hat, drink bottle and recess.

We will require 2 parents from each class to assist with supervision of students and activities throughout the day. Please email or speak to the teacher if you are interested in attending.

***Please contact your class teacher if your child requires training wheels.***

Please return the permission slip by 19 September 2025. Any queries please don't hesitate to contact the class teacher.

Regards, Megan Summerfield, Sandra Fullgrabe and Joanna Taya.

OFFICIAL

**Constable Care Safety School Excursion**

I consent to \_\_\_\_\_ Room # \_\_\_\_\_ participating in an excursion to Constable Care Safety School on 15 October 2025.

I have enclosed \$22.00 as payment.
