## A MESSAGE FROM OUR PRINCIPAL

Welcome back to everyone after the school holidays. It has been wonderful to see our students return with such a positive start to the term. The children certainly hit the ground running and have quickly settled back into classroom routines. A special shout out to Rooms 6 and 7 staff and students for so positively managing an unexpected relocation to the Library during the first week due to air-con installation that wasn't quite finished over the holidays. I would like to thank families for ensuring students arrived ready to learn from day one, which has made such a difference to the smooth start we have enjoyed.

I am pleased to welcome our new Music teacher, Sylvie Cornes, to Attadale Primary School who will be working with our Year 3 to 6 students on Mondays and Tuesdays this term. Ms Cornes met several classes today and has already got off to a great start, building positive connections with students and setting a strong tone for the program. As communicated over the holidays, the school is also running a recruitment process for a permanent Music teacher who will commence in Term 3 and teach all students from Year 1 to 6. Another welcome (back) to a familiar face in Wendy Parker in the front office who will be covering Emma Harris while she's overseas.

I would also like to remind families about the role of our School Board and extend an invitation to attend our annual open board meeting. The meeting will be held at 6pm on Monday 4 May in the staffroom. This is a great opportunity to see first-hand how the board operates and the important work it undertakes. The board serves as a conduit between school leadership and the wider community and works in collaboration with staff to evaluate school performance and guide strategic direction. At this meeting, the school's Annual Report for 2025 will be tabled for approval by the board. The report provides valuable insight into the school's performance, including academic achievement, student data such as attendance, and financial information. All members of our community are very welcome to attend. Several current board members first became involved after attending one of these open meetings, and it remains a low-pressure accessible way to learn more about the board and consider getting involved.

Please also keep an eye out for the Term 2 Planner, which will be coming out shortly. It outlines what promises to be a busy and engaging term ahead, with plenty happening across the school.

Principal

## COMPASS EVENTS

Compass Events is now fully in effect. All incursions and excursions will be communicated through Compass Events.

When an event is available, it will appear as a banner at the top of your Compass app. By clicking on the event, you will be able to view all relevant details, including the date, time, and cost.

Before an event is published, administration will apply any available unallocated funds to your child's cost. For example, if an excursion costs \$30 and you have \$10 in unallocated funds, this amount will be applied, leaving a balance of \$20 to pay.

If no payment is required for an event, families are still required to provide consent by completing and submitting the form in Compass.

We will no longer be using the Audiri App in any capacity.

If you have any questions, please contact the school administration team.

## THIRD PARTY FORMS

It is that time of the year again when we ask all families to read through and complete the online form for Online Policies and Third Party Software Permissions. You can find the link here [Third party & online services form](#)

All families from Kindergarten to Year 6 need to complete this form. Online services are essential tools for our teaching, learning and school administration. These include websites, web and mobile applications delivered over the internet. Providers of Online Third Party Services are external to the school, and sometimes hosted outside of Australia. They may need parental consent before we can disclose student information to the service.

The Department has completed security and privacy risk assessments on the services Information about each service is listed on the form that we use here at Attadale PS. Details include terms of use, privacy policy, and how they use and share information.

Please read the information then give your consent (if required) for your child to use the Online Third Party Services.

For Yr 4 - 6 students the BOYD Parent Brochure needs to be completed and sent back in to school admin for processing. Please find the link here
