## Compass Events

Compass Events is now fully in effect. All incursions and excursions will be communicated through Compass Events. When an event is available, it will appear as a banner at the top of your Compass app. By clicking on the event, you will be able to view all relevant details, including the date, time, and cost. Before an event is published, administration will apply any available unallocated funds to your child's cost. For example, if an excursion costs \$30 and you have \$10 in unallocated funds, this amount will be applied, leaving a balance of \$20 to pay. If no payment is required for an event, families are still required to provide consent by completing and submitting the form in Compass.

**We will no longer be using the Audiri App in any capacity. If you have any questions, please contact the school administration team**
