Extension Opportunity StepUp Series

MELVILLE
SENIOR HIGH SCHOOL

Experience the challenge of Gifted and Talented learning

Designed for Year 5 students who demonstrate a capacity for extension, Melville SHS's Gifted and Talented (GAT) StepUp Series is a four-week program that introduces students to the challenge, creativity and collaborative learning that are central to our highly regarded GAT Program.

Through engaging, divergent-thinking challenges, students strengthen creative problem-solving, abstract thinking and the key skills that underpin the Department of Education's Academic Selective Entrance Test, including reading comprehension, written communication, quantitative and abstract reasoning.

Working alongside like-minded peers in a supportive learning environment, students build confidence, communicate original ideas, and develop the resilience to tackle increasingly complex challenges.
